COURSE GUIDE

Whiskey Creek Country Club, built in 1974, has seasoned and well developed greens, fairways, tees and bunkers. We welcome you to a unique world that combines a challenging executive golf course with unsurpassed social opportunities. Excellent golf and social membership are available. We are a friendly and affordable golf destination in beautiful South West Florida.

WCCC is challenging for low handicaps - we have over 32 bunkers protecting greens and many trees protecting fairways and greens. You will definitely use every club in your bag. Our par 60 design also makes the course very enjoyable for high handicap golfers. High handicappers will no longer need to lumber through 500 yard par 5's. Our longest hole is 326 from the red tees and 336 from the blue tees which allow golfers of all levels the ability to compete and have fun at Whiskey Creek.

Being a par 60 has its privileges! Most 18-hole rounds are completed well under the four hour time frame.

The Club is Semi-Private with the public cordially invited. The Club has a full bar serving your favorite beverages seven days a week and restaurant serving a breakfast and lunch menu Tuesday through Sunday and dinner on Tuesday and Friday nights. The Club also has facilities to host your private party, business meeting, family gathering or social event. If you enjoy cards and games, Whiskey Creek has activities that include Mah Jongg, Euchre, Hand and Foot, Bridge and Gin to name a few, along with dinner, dancing and many social events throughout the year.

GOLF SHOP

Get the gear and the apparel you need to look and perform your best on the course and around the club. The golf shop is the preferred golf shop of our members and features our complete line of accessories and garments for both men and women.
